

Coca-Cola FEMSA Brazil Premium Supplier 2018 Award Gold Category

This award recognizes Coca Cola FEMSA's best suppliers based on commitment to quality, goals, pricing, excellent logistics, sustainability, perfect delivery, and technical development. Of the 150 providers competing for this year's awards, SEMEQ was one of only 5 suppliers to receive this Gold Category recognition.

SEMEQ is a privately held company that was founded in 1994 with over 200 employees worldwide, with US headquarters in Arlington, TX. SEMEQ specializes in Predictive Maintenance, Oil Analysis, Vibration Analysis, Industrial Lubrication, and Industry 4.0.
